Welcome to the 16th Annual DCTMA Municipalities Conference & Trade Show!

We hope you find the information from today’s sessions informative to you and your organization. We are pleased to provide a venue for our municipalities, businesses and organizations to network, and share information and resources. Please let a member of the DCTMA staff know if we can help you in any way.

Looking for PDH?
Professional engineers can earn 2 Professional Development Hours (PDH) for attending the conference. The DCTMA will provide PDH certificates to those who attend. Please visit the registration table for details on how to obtain the PDH certificate.

Raffle
All attending municipal staff will be entered into a drawing to win:

A weekend getaway, including an overnight stay at Staybridge Suites in Glen Mills, two tickets to Longwood Gardens, and two coupons for Harvest Seasonal Grill & Wine Bar.

(Only municipal employees are eligible to win these prizes – no consultants or contractors please)

Exhibit Floor Open All Day
The exhibit floor will be open all day for local vendors to share their products and services with attendees. Be sure to look for discounts or specials offered by many of the vendors on site.
Delaware County Coastal Zone Task Force:

The Delaware County Coastal Zone Task Force meets quarterly. The organization is made up of municipalities, businesses and interested stakeholders in the coastal zone. The 13 municipalities that lie within the area have unique aesthetic, environmental, cultural, recreational and historic opportunities that this group strives to preserve and promote.

Delaware County Incident Management Task Force:

This task force was established to focus on the limited access highways of I-95 and I-476 in Delaware County. The purpose of this group is to foster communication and cooperation between organizations that are involved in responding to traffic incidents in the complex and congested interchange areas, to identify the incident management needs, and to address those needs through funding, training, and other programs.
